- Printer and Scanner troubleshooting
- Microsoft InTune
- Audacity app – for preparing and editing music for the school's bell systems

I am a student at Western Sydney University taking up a Diploma in IT and planning to pursue a bachelor's degree afterwards. Prior to enrolling in university this year, I was in a paid IT Traineeship program with Catholic Schools of the Parramatta Diocese (CSPD) for about 15 months, in which I earned a Certificate III in IT. I was assigned as an IT Support Trainee at Bede Polding College in South Windsor, NSW.
